Some Truths About Silver.

General Harrison stated the opinion of every intelligent bimettalist in regard [to the future of sliver in his address in Quick G W Colorado recently. The monometalists States t. P.... por influential element. Whether the president is of that limited following is witson J.R.... no, fully known, but, judging from the fact that his secretary of the treasury brought out the Henderson gold letter before congress met, last August, it is to be assumed that he is. It is, however, a matter of no importance. The restoration of silver to full money power restoration of silver to full money power for the first and Jino. by the commercial nations of the world by the desire of an overwhelming ma locally of the American result in the desire of an overwhelming ma locally of the American result in the desire of an overwhelming ma local of the American result in the desire of the American result in the desire of the is the desire of an overwhelming ma-jority of the American people. When, however, it comes to the policy of having the United States undertake the task of giving silver equal intrinsic value with gold when coin donto money in the ratio of 16 to 1, there is a decided difference of opinion. Nearly all men of silver properties, and who are not so enamored with the idea of a first dollar Smook & Co. that one worth fifty cents is more destrable to them than one worth 100 Wymen & Weber Fields & Gleaves...... cents, believe the free coingre of silver general business and industrial disaster. There is the difference. These who be Bunge stock & Price...

From econors now are transfeally Brunback L. E. silver incommetallists-in fact, silver!

There is every reason to beheve that Davis LT had General Harrison been re-elected Drappeau J. Sud had the Fory bi-metallists in Eng. Ewing France Ken and continued in power, some arrange ments might have been made by the Richards Julia. I last monetary conference. Just now, in Edwards Julia. Supley I. A. ... Germany, the government is taking Shipley L. steps to prevent the further decline of Smith CH ... Smith CH ... Smith W.M. ... Smith & Co ... Smith & Co ... trouble than the rest of the world over Smith Geo Q. silver, and the breaking up of the Smitt Late Liberal ministry and the retirement of West Late Liberal ministry and the retirement of Ward J A.

Mr. Gladstone, affords greater promise Ratchins & Co. of the restoration of silver to full money nower by international action Occanization has already been made in Boston by the ablest bimetalists of both parties, On the whole, as General Harrison | Dankers Bos and Senator Allison have said, the cut | Schultz S J |
look for the restoration of silver to full | Walter F W. money power by international action was never so encouraging. As has been said, the antics of Bland and his army of immore than another, will encourage Finning B.F. European governments to hold back.
